

Personal System Usage Form

The purpose of this document is to specify the usage of personal system by the selected trainee.

1. This is to certify that I consent to use my own laptop/desktop (with web cam & mike) during internship and employment, if selected.
2. I confirm that the laptop/desktop that I use meets the minimum requirement mentioned below.
3. I agree to install software(s) or using web-based tools during training and as required for my work, if selected.
4. Any data or information shared during the internship or employment (if selected) will remain confidential. The information will not be uploaded or distributed without prior permission.
5. Wiley Edge will not be responsible to pay or reimburse towards purchase, upgrade, and/or repair of laptop/desktop.
6. I have read and understood the points and statements of this form. I have had all my questions answered to my satisfaction, and I voluntarily agree to use my own system.

Minimum computer specifications:

Core i5 processor

8GB of RAM

256 GB hard drive (either 7200 RPM or solid state)
